

TimeClock Plus & PowerSchool ERP Integration

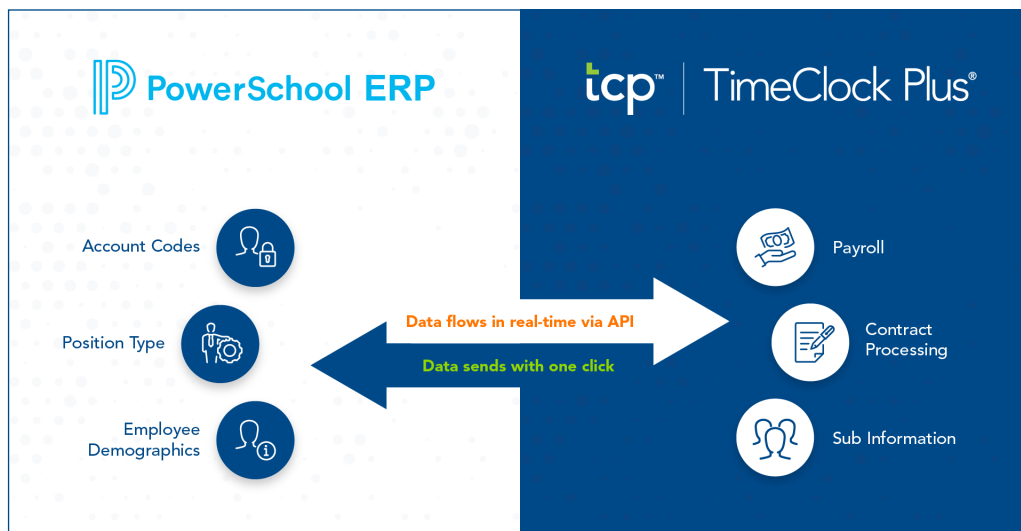

Automatically sync employee data, and send payroll data with a single click

Key benefits:

- **Remove dual-entry** with real-time employee data syncing
- **Automate payroll processes** to eliminate time-consuming and stressful payroll prep
- **Ensure payroll accuracy** by removing complex, manual steps that are prone to errors

How it works:

- **Employee data is automatically synced** from PowerSchool to TimeClock Plus: Pay Codes, Job Classes, Pay Rates, Location Data, and more
- **Payroll data sends** from TimeClock Plus to PowerSchool ERP with one click
